### Safety Data Sheets

Hazard Statements
H317 May cause an allergic skin reaction
Precautionary Statements
[Prevention]
P261 Avoid breathing gas/mist/vapors.
P272 Contaminated work clothing should not be allowed out of the workplace.
P280 Wear protective gloves/protective clothing/eye protection/face protection.
[Response]
P302+P352 IF ON SKIN: Wash with plenty of soap and water.
P333+P313 If skin irritation or rash occurs: Get medical advice/attention.
P362+P364 Take off contaminated clothing and wash before reuse.
[Disposal]
P501 Dispose of contents/container in accordance with local/regional/national/ international regulation (to be specified).

#### 3. Composition / Information on Ingredients

| No | Chemical Name    | Wt%   | CAS No.      |
|----|------------------|-------|--------------|
| 1  | Propylene glycol | 10-30 | 57-55-6      |
| 2  | Glycerol         | 1-20  | 56-81-5      |
| 3  | Disperse dye     | 1-10  | Trade Secret |
| 4  | Water            | 20-50 | 7732-18-5    |
| 5  | Additives        | <5    | Trade Secret |

#### 4. First Aid Measures

| Inhalation  | Remove person to fresh air and keep comfortable for breathing. Call |
|-------------|---|
|             | a POISON CENTER or doctor/physician.                                |
| Eye Contact | : Flush eyes with plenty of water for at least 15 minutes. Remove   |

**MINCIKI**<sup>°</sup> Safety Data Sheets

|                                 | contact lenses, if present and easy to do. Continue rinsing.                    |  |
|---------------------------------|---|--|
|                                 | Get immediate medical attention.  |  |
| Skin Contact                    | <sup>:</sup> Wash with plenty of soap and water. Take off contaminated clothing |  |
|                                 | and wash before re-use. If skin irritation or rash occurs: Get medical          |  |
|                                 | advice/attention.   |  |
| Ingestion                       | : If swallowed, get medical attention.  |  |
| Most Important Symptoms/Effects |   |  |
| Acute                           | allergic skin reaction, mild skin irritation                                    |  |
| Delayed                         | allergic skin reaction  |  |
| Indication of Immediate         | : Treat symptomatically and supportively.                                       |  |
| Medical Attention and           |   |  |
| Special Treatment               |   |  |
| Needed, If Needed               |   |  |

#### 5. Fire Fighting Measures

| Flammable Properties     | : Flash point Not flammable  |  |
|--------------------------|--|--|
| Extinguishing Media      | carbon dioxide, regular dry chemical, water spray, alcohol resistant   |  |
|                          | foam   |  |
| Unsuitable Extinguishing | : Do not scatter spilled material with high-pressure water streams.    |  |
| Media                    |  |  |
| Special Hazards Arising  | : Negligible fire hazard.  |  |
| from the Chemical        |  |  |
| Hazardous Combustion     | : oxides of carbon, oxides of nitrogen, acrolein                       |  |
| Products                 |  |  |
| Fire Fighting            | : Move container from fire area if it can be done without risk. Do not |  |
| Measures                 | scatter spilled material with high-pressure water streams. Cool        |  |
|                          | containers with water spray until well after the fire is out. Stay     |  |
|                          | away from the ends of tanks. Avoid inhalation of material or           |  |
|                          | combustion by-products.  |  |
| Special Protective       | : Wear full protective fire fighting gear including self contained     |  |
| Equipment and            | breathing apparatus (SCBA) for protection against possible             |  |
| Precautions for          | exposure.  |  |
| Firefighters             |  |  |

#### 6. Accidental Release Measures

| Personal Precautions, | : Wear personal protective clothing and equipment, see Section 8.        |
|-----------------------|--|
| Protective Equipment  | Avoid release to the environment.  |
| and Emergency         |  |
| Procedures            |  |
| Methods and Materials | : Eliminate all ignition sources if safe to do so. Stop leak if possible |
| for Containment and   | without personal risk. Reduce vapors with water spray.                   |
| Cleaning Up           | Small spills: Absorb with sand or other non-combustible material.        |
|                       | Collect spilled material in appropriate container for disposal.          |
|                       | Large spills: Dike for later disposal. Keep unnecessary people away,     |
|                       | isolate hazard area and deny entry. Stay upwind and keep out of low      |
|                       | areas.   |

#### 7. Handling and Storage

| Precautions for Safe   | Avoid breathing dust, mist, fumes or vapors. Avoid contact with eyes, |
|------------------------|---|
| Handling               | skin and clothing. Do not eat, drink, or smoke when using this        |
|                        | product. Wear protective gloves and eye/face protection. Wash         |
|                        | thoroughly after handling. Contaminated work clothing should not be   |
|                        | allowed out of the workplace.   |
| Conditions for Safe    | : Store and handle in accordance with all current regulations and     |
| Storage, including any | standards. Store in a well-ventilated place. Keep container tightly   |
| Incompatibilities      | closed. Keep cool. Keep separated from incompatible substances.       |

#### 8. Exposure Controls / Personal Protection

| Exposure Limit Values | : Glycerin (56-81-5)  |
|-----------------------|---|
|                       | OSHA: 15 mg/m <sup>3</sup> TWA (mist, total particulate);           |
|                       | 5 mg/m <sup>3</sup> TWA (mist, respirable fraction)                 |
|                       | Mexico 10 mg/m <sup>3</sup> TWA LMPE-PPT (mist)                     |
| Component Biological  | : There are no biological limit values for the component(s) of this |
| Limit Values          | product.  |

| Exposure Controls     |  |  |
|-----------------------|--|--|
| Occupational Exposure | Controls   |  |
| Appropriate           | : Provide local exhaust or process enclosure ventilation system. Ensure  |  |
| Engineering Controls  | compliance with applicable exposure limits.                              |  |
| Personal Protection   |  |  |
| Respiratory           | : Consult with a health and safety professional for specific respirators |  |
| Protection            | appropriate for your use.  |  |
| Vapor<br>Respirator   |  |  |
| Hand Protection       | : Wear appropriate chemical resistant gloves.                            |  |
| Gloves                |  |  |
| Eye Protection        | : Wear splash resistant safety goggles with a faceshield. Provide an     |  |
|                       | emergency eye wash fountain and quick drench shower in the               |  |
| Safety<br>Glasses     | immediate work area.   |  |
| Skin Protection       | : Wear appropriate chemical resistant clothing.                          |  |
| Protective<br>Apron   |  |  |

#### 9. Physical and Chemical Properties

| Appearance                    | - Physical State | : Liquid              |
|-------------------------------|------------------|-----------------------|
| Appearance                    | C C              | -                     |
|                               | - Color          | : Yellow              |
| Odor                          |                  | : characteristic odor |
| pH                            |                  | : 6-8                 |
| Boiling Point / Boiling Range |                  | : Not available       |
| Melting Point / Melting Range |                  | : Not available       |
| Decomposition Temperature     |                  | : Not available       |
| Flash Point                   |                  | : Not flammable       |
| Auto ignition temperature     |                  | : Not available       |
| Flammability (Solid, Gas)     |                  | : Not available       |

## **Mimciki** Safety Data Sheets

| Explosive Properties                      | : Not available         |
|---|-------------------------|
| Oxidizing Properties                      | : Not available         |
| Upper / Lower Flammability or             | : Not available         |
| Explosive Limits                          |                         |
| Vapor Pressure                            |                         |
| Specific Gravity                          | : 1.0-1.2 (25 ° C)      |
| Solubility                                | : Not available         |
| Water Solubility                          | : Soluble               |
| Partition Coefficient (n-octanol / Water) | : Not available         |
| Viscosity                                 | : 3.0-6.0 mPa·s (25 °C) |
| Vapor Density                             | : Not available         |
| Evaporation Rate                          | : Not available         |
| VOC Content (%)                           | : 20-40                 |
|   |                         |

#### 10. Stability and Reactivity

| Reactivity               | : No reactivity hazard is expected.                                      |
|--------------------------|--|
| Chemical Stability       | : Stable under normal conditions of use.                                 |
| Possibility of Hazardous | : Will not polymerize.   |
| Reactions                |  |
| Conditions to Avoid      | Avoid flames, sparks, and other sources of ignition. Avoid contact       |
|                          | with incompatible materials.   |
| Incompatible Materials   | : acids, bases, combustible materials, halocarbons, metals, metal salts, |
|                          | oxidizing materials, reducing agents, metal oxides                       |
| Hazardous                | : oxides of carbon, oxides of nitrogen, acrolein                         |
| Decomposition            |  |

#### 11. Toxicological Information

| Acute Toxicity       | : The component(s) of this material have been reviewed in various |  |  |  |
|----------------------|---|--|--|--|
| Component Analysis - | sources and the following selected endpoints are published:       |  |  |  |
| LD50/LC50            | Propylene glycol (57-55-6)  |  |  |  |
|                      | Oral LD50 Rat 20 g/kg; Dermal LD50 Rabbit 20800 mg/kg             |  |  |  |
|                      | Glycerin (56-81-5)  |  |  |  |
|                      | Oral LD50 Rat 12600 mg/kg; Dermal LD50 Rabbit >10 g/kg;           |  |  |  |
|                      | Inhalation LC50 Rat >570 mg/m <sup>3</sup> 1 h                    |  |  |  |

| Information on Likely Routes of Exposure |  |  |  |
|--|--|--|--|
| Inhalation                               | : irritation, difficulty breathing, headache, nausea                     |  |  |
| Ingestion                                | : skin disorders, vomiting, stomach pain, headache, drowsiness,          |  |  |
|  | dizziness, loss of coordination, unconsciousness                         |  |  |
| Skin Contact                             | allergic reactions, irritation, nausea, headache, drowsiness, dizziness, |  |  |
|  | loss of coordination   |  |  |
| Eye Contact                              | : irritation   |  |  |
| Immediate Effects                        | allergic skin reaction, mild skin irritation                             |  |  |
| Delayed Effects                          | allergic skin reaction   |  |  |
| Medical Conditions                       | : No information available for the product.                              |  |  |
| Aggravated by Exposure                   |  |  |  |
| Irritation/Corrosivity                   | : mild skin irritation   |  |  |
| Data                                     |  |  |  |
| Respiratory                              | : No information available for the product.                              |  |  |
| Sensitization                            |  |  |  |
| Dermal Sensitization                     | : May cause an allergic skin reaction.                                   |  |  |
| Germ Cell Mutagenicity                   | : No information available for the product.                              |  |  |
| Carcinogenicity                          | : Component Carcinogenicity  |  |  |
|  | No data listed by ACGIH, IARC, NTP, DFG or OSHA is available for         |  |  |
|  | the component(s) of this product.  |  |  |
| Reproductive Toxicity                    | : No information available for the product.                              |  |  |
| Specific Target Organ                    | : No target organs identified.   |  |  |
| Toxicity - Single                        |  |  |  |
| Exposure                                 |  |  |  |
| Specific Target Organ                    | : No target organs identified.   |  |  |
| Toxicity - Repeated                      |  |  |  |
| Exposure                                 |  |  |  |
| Aspiration Hazard                        | : Not expected to be an aspiration hazard.                               |  |  |
|  |  |  |  |

#### 12. Ecological Information

Handling is noted because it might influence the environment when leaking and abandoning it.

Especially, note that the product doesn't flow directly to ground, the river, and the drain ditch.

### **Mimciki** Safety Data Sheets

| Component Analysis - | <sup>:</sup> Propylene glycol (57-55-6)                          |

| Bioaccumulation      | : No information available for the product.                      |
| Mobility             | : No information available for the product.                      |
| Other Toxicity       | : No additional information is available.                        |

#### 13. Disposal Considerations

|                  | : Comply with all USA, national and local regulations.<br><u>Do not dump this product into sewers, on the ground or into any body</u><br>of water. |
|------------------|--|
|                  |  |
| Disposal Methods | Dispose in accordance with all applicable regulations.   |
| Component Waste  | : The U.S. EPA has not published waste numbers for this product's  |
| Numbers          | components.  |
| Disposal of      | Empty containers may contain product residue. Dispose in   |
| Contaminated     | accordance with all applicable regulations.  |
| Packaging        |  |

#### 14. Transport Information

|                    | Check a thing without a leak in a container.           |
|--------------------|--|
|                    | Perform prevention of collapse of cargo surely.        |
| US DOT Information | : Not regulated as a hazardous material for transport. |
| TDG Information    | : Not regulated as dangerous goods for transport.      |
| IATA Information   | : Not regulated as dangerous goods for transport.      |
| ICAO Information   | : Not regulated as dangerous goods for transport.      |
| IMDG Information   | : Not regulated as dangerous goods for transport.      |

### Safety Data Sheets

| UN Number          | : Not regulated  |
|--------------------|--|
| Marine Pollutants  | : Not regulated as dangerous goods for transport.                  |
| (IMDG)             |  |
| International Bulk | : This material does not contain any chemicals required by the IBC |
| Chemical Code      | Code to be identified as dangerous chemicals in bulk.              |
|                    |  |

#### 15. Regulatory Information

| U.S. Federal<br>Regulations | : None of this products components are listed under SARA Sections<br>302/304 (40 CFR 355 Appendix A), SARA Section 311/312 (40 CFR<br>370.21), SARA Section 313 (40 CFR 372.65), CERCLA (40 CFR<br>302.4), TSCA 12(b), or require an OSHA process safety plan. |           |         |            |     |     |   |
|-----------------------------|--|-----------|---------|------------|-----|-----|---|
| SARA TitleIII               | : Acute Health: Yes  | -         |         | -          |     |     |   |
| Section 311/312             | Chronic Health: No   |           |         |            |     |     |   |
|                             | Fire: No   |           |         |            |     |     |   |
